

STATEWIDE SURVEY ON FLORIDA VOTERS' OPINION ON RED LIGHT CAMERAS

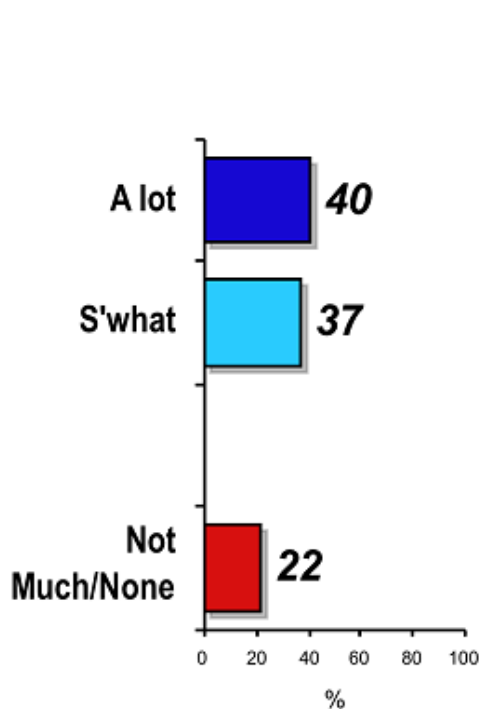

FREDERICK *polls*

POLL ANALYSIS BY: FREDERICKPOLLS
DATE: JANUARY 2012

Methodology

- Sample Size: n=800
- Margin of Error: Plus or minus 3.5%
- Eligibility: Registered Voters
- Interview Dates: January 16-19, 2012

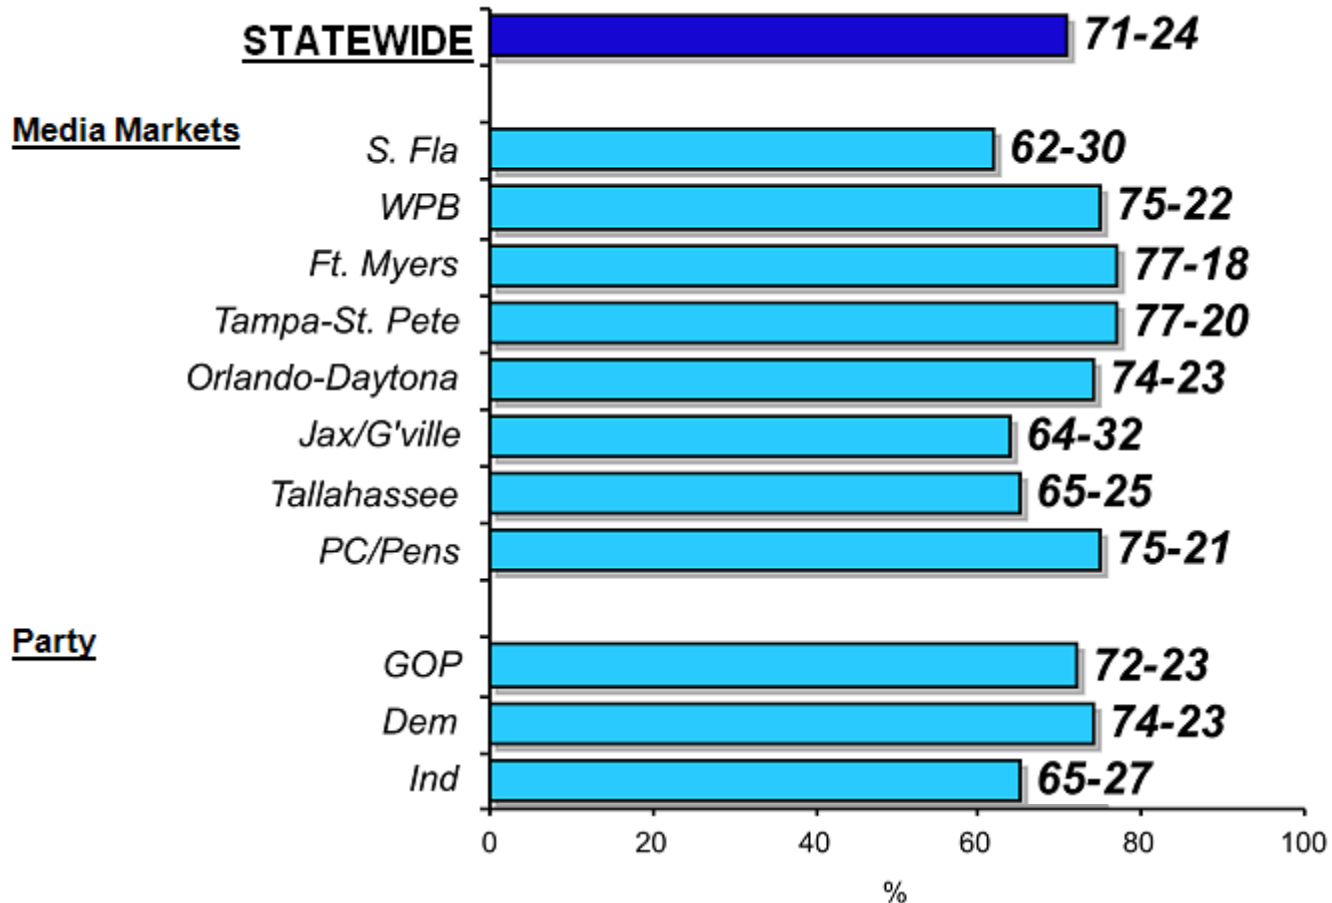

How much have you recently seen, read or heard about the issue of cameras being used at busy intersections for the enforcement of traffic safety laws -- is it a lot, only some, not very much, or nothing at all?

Some members of the Florida State Legislature in Tallahassee say that red light cameras are a bad idea because they violate driver's personal privacy, represent big government and are used more as a way for Government to grab more money than to promote highway safety...?

- Do you agree with these critics who want to REPEAL the red light camera law?

--OR--

- Do you support allowing local communities to KEEP red light traffic enforcement cameras at busy intersections?
